1. Check your prior education

Your secondary school diploma should be equivalent to the level and content of a Dutch VWO secondary school diploma. In addition, mathematics must be one of the subjects of your final examinations.

To check if your diploma is equivalent to a Dutch VWO diploma, we provide a diploma calculator to check the international requirements. If your education is not listed, you can still apply. We assess your documents on an individual basis.

How to check the diploma requirements:

1. Type in your country or diploma
2. Check the basic diploma requirements. These are the *minimum diploma*
